Kinjal Chawla
What is your availability to pursue this online in real-time?
11/18/2025, 1:30:49 PM

Kinjal Chawla
Also, one thing has happened to me earlier.
11/18/2025, 1:31:58 PM

Kinjal Chawla
where a user changed the email address/ gave me their acccount.
11/18/2025, 1:32:10 PM

Kinjal Chawla
a few days later, they reached out to the provider and said their account is hacked and I lost access to account/ money
11/18/2025, 1:32:28 PM

Kinjal Chawla
Can you raise a query to hello@betterstack.com confirming that you will be relinquishing the account entirely to another user and have no claims? And then, if you share that Ticket ID reference, I will also confirm with them. in that way, it will be best for both
11/18/2025, 1:33:45 PM

Kinjal Chawla
So, once this confirmation is received, I will initiate the money to you and you give me access, and BetterUptime team is aware of this change and do not raise red flags
11/18/2025, 1:34:18 PM

Joe Clifton
